

At Elite Control Systems Ltd safety is our overriding priority and we regard the co-operation of our supply chain throughout the tiers as essential to maintain the highest standards for all the goods we supply.

We understand the potential risks concerning the supply of Counterfeit, Fraudulent and Suspect Items (CFSI) within the supply chain, and to this end we only choose suppliers that can demonstrate the quality and source of the goods that we require.

All our employees involved in the purchasing of goods have been informed about the potential for CFSI and advised that all goods must be purchased directly from the manufacturers or from agreed and official distribution channels.
